

Land Rover Discovery Sport - 2015-present

Our ref: H0597

Question 1 - Vehicle Identification Guide

SEUP

AVAILABLE

Rear seatbacks
upright

When the seats are most upright there is a void between the seat upper and the plastic molding

SEREC

AVAILABLE

Rear seatbacks
reclined

When the seats are most reclined there is no void between the seat upper and the plastic molding

*The Rear Seats **must** be slid as far **BACK** to the lift gate*

The rear seats (2nd-row) slide – the cargo liner only suits these seats slid as far back to the liftgate
