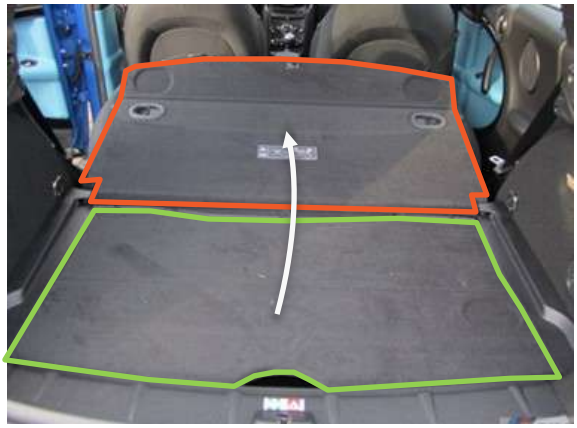
PLEASE NOTE

NOT AVAILABLE

"Flat floor extension"
(Mini accessory)
On top of height adjustable floor

If you completely remove the "flat floor extension" (highlighted in orange) leaving the height adjustable floor in (highlighted in green), you can order the FRSD



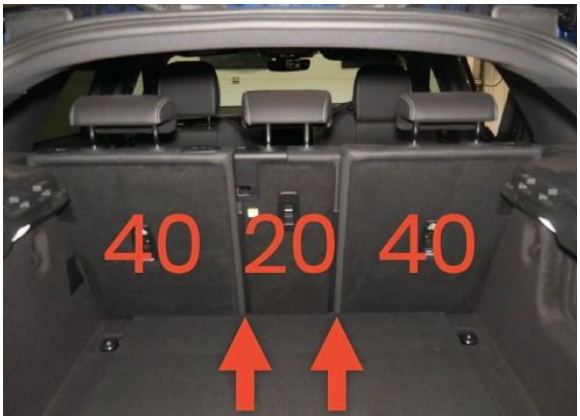
Question 2 - Rear Seat Configuration

50/50 Rear seat configuration

AVAILABLE

40/20/40 Rear seat configuration

AVAILABLE



This does not mean your liner will have a split but depending on the seat configuration the head rests are in a different place so we need to sew the liner slightly differently. If you require a cargo liner with a seat split, please select "Rear Plus With Seat Split" in Step 2.
